Mobile library service was introduced in 1970s in the out-skirt of Kota Kinabalu town. Presently, there are 13 buses stationed in 12 districts of Sabah to serve 257 service points throughout Sabah. Most of the books are borrowed at the primary and secondary school and bus stops who are already know when the mobile passing through their village. The mobile library is also involved in community services especially in exhibitions run either by Sabah State Library or Ministry of Community Development and Consumer’s Affair of Sabah.
