Why donate/waqf to USIM Library?
As a new established organization, USIMs Library is actively carrying out efforts to multiply its collection. Acquisition of library materials is mainly done through purchasing and subscribing activities. However, the library also welcome contribution of reference sources from individuals and organizations. USIM Library appreciates donations/waqf of materials that enrich the existing collections to support the teaching and learning and research mission of the university.

How to donate?

1 -by currier/post

2 -by hand
*Submit form together with donation/waqf materials to Gift and Donation Unit, USIM Library
